

### **NEW THIS YEAR EVERY WEDNESDAY NIGHT....**

A short nocturnal hike before dinner is a wonderful opportunity to see things from another perspective and to work up a good appetite! Ideal for stargazing with great views of the Milky Way on a clear night and the possibility of surprising some wildlife or even hearing a wolf or two howling! With a pick up and drop off from your accomodation, we hike from the guesthouse "Le Gite du Lautaret" [www.gitedulautaret.com](http://www.gitedulautaret.com) around the Col du Lautaret at 2000m altitude then back to the gite for a mulled wine and raclette (mountain speciality of melted local cheese and deli style cold cuts of meat) or Tartiflette.

*Mulled Wine, Raclette or Tartiflette, Dessert*

*and 25cl Red, White or Rosé or soft drink. (There is also a non cheesy option!!)*
